THE OUTLOOK

**UMC Red Bank is a Church open to ALL to CONNECT with God
and others, to GROW in our faith, and to SERVE in love."**

December 2017

Dear Church Family,

There is something about the classic holiday stories and films that capture our hearts and move us closer to the spirit of Christmas. Maybe it is just nostalgia, remembering the times of the past that you gathered with family or friends to watch with a cup of hot cocoa - the feel of the familiar, soothing and comforting. For me, it doesn't feel like the Christmas season has started until I've watched *White Christmas* - preferably with my sisters while baking cookies! But for some of the seasonal classics, it's more than simply nostalgia that keeps us coming back for more.

I'm not sure any Christmas story has captured imaginations and hearts more than Charles Dickens, "The Christmas Carol." To date, there have been 19 motion picture films made since the first short British film in 1901, entitled *Scrooge*, not to mention the hundreds of theatrical productions, parodies, books, and even operas based on the basic storyline. There is a truth that Dickens captured in his writing that overcomes time and place and allows his story to speak directly to our hearts. It's a story of transformation, putting people first above profits, and the thawing of a frozen heart.

Whether we like to admit it or not, the buzz of the commercial Christmas season and seemingly endless shopping lists can make us all feel a little like Ebenezer Scrooge. The hustle and bustle often pulls our focus away from the true heart of the holiday - the anticipation and waiting for the coming of Christ into our hearts and lives, fresh and new each year. With the help of Dicken's *Christmas Carol*, our Advent season will draw us to reflect on the transformation needed in our hearts and lives as we prepare space for Christ. As we look to the past, we'll find hope from heartbreak, as we look around at our present-day reality, we'll focus on love rather than fear, and as we look to the future, we'll focus on the joy of life filled with purpose. We pray that as the bells ring out with Christmas joy, our voices swell in a joyful chorus, "God bless us everyone!"

May you and yours have a very Merry Christmas and a Happy New Year!

Church Flowers

Dear Friends,

At the time of this writing (early November) the stores have already been displaying loads of Christmas decorations and merchandise. Many people look at that and lament that it is far too early! The crass over-commercialization of Christmas is distressing and, somehow, makes us weary of it all before it even begins.

To put a positive spin to it though, it illustrates how decorating for Christmas brings us much joy and beauty. This note provides the opportunity for you to do just that. We always take great pleasure in decorating our church for the Christmas holidays. You can be part of it and contribute Christmas poinsettias to decorate the chancel. **Please fill out the form below and return it with your check no later than December 10th.** Forms and checks may also be placed in the offering plates or dropped in the mail slot in Sheila's office door.

God Squad has had a busy and eventful month of December. God Squad began the month viewing the movie Lion, based on the true story of a young boy who gets separated from his family and the emotional journey he takes to get back home. God Squad can fully recommend this movie due to the phenomenal story, and we hope you get a chance to see it.

Yestercades was the lucky recipient of God Squad on a Wednesday night where we got to play some great retro arcade games, had intense air hockey games, and embarked on a raucous Mario Kart race.

In the middle of November Fellowship Hall was filled with shrieks and screams as the members of God Squad faced off in a couple of games. Clumps, Cris-Cross Racing, and the not-too-quiet Shipwreck filled Fellowship Hall after dinner. After waging intense competition, to the victors go the spoils of war; and much ice cream was consumed.

To end the month an evening was planned and executed by the God Squad executive board. Before the fun could begin, God Squad helped our church by rounding up the pew candle holders from the basement; candle holders that will soon adorn our church during Advent.

We hope our church family had a safe and festive Thanksgiving, and enjoys the Advent season.

THINGS YOU SHOULD KNOW

You can help provide the following items which are used to fund ministries:

Box Tops: This is like a UPC code on various products (e.g., Ziploc Bags). Cut it out and deposit in the Bright Blue Box on top of the Mail Distribution Cubicle next to the glassed church reception office. All the different UMW around the country collect these box tops and provide them to Red Bird Ministries in Kentucky. They use the funds to augment the education funds, buy school buses, etc.

Pull Tabs on aluminum cans: These are collected in a large jar in the hallway between the Education Wing entry and Fellowship Hall (where the freezer is located). Karen Judkis collects these and gives them to the Ronald MacDonald House in Long Branch. Check out rmhc.org for details of what this charity provides.

Plastic bottle caps: The Green Team collects these in a 5-gallon bucket on the floor outside the glassed church reception office (has a big label that says "Bottle Caps") and turns them in to be recycled. This is just a way to minimize our ecological footprint. It does not go to a charity but is good for the earth!

Food: There is a shopping cart in the hallway from the back parking lot to the Sanctuary where we collect nonperishable food for The Backpack Crew and Lunch Break. The Backpack Crew is limited in what they can use (think about little kids carrying a backpack home on Friday for meals on Saturday and Sunday). A list of items they accept is posted on the shopping cart. Please, do not give expired food.

Special:

a. There are occasion special collections for Church World Service (CWS) or United Methodist Committee on Relief (UMCOR) such as Hygiene Kits or Cleaning Buckets. The boxes for these collections are usually in the entry hallway from the rear parking lot. If there is no box, they are not collecting.

b. The Youth Group have collected used clothes in January as part of their fund raiser. Please, do not start leaving clothes at the church until you see a notice or hear of their collection. The notice will tell you where to leave the clothes.

c. The United Methodist Women (UMW) collect really nice items (jewelry, kitchenware, new homemade items) for sale at their annual Bazaar in November. They will announce when they will collect and where to leave the items. This is not Trash and Treasure but more like Treasure items. Proceeds are dispersed to many different charities (e.g., Backpack Crew, Lunch Break, 180 Turning Lives, etc.)

d. The United Methodist Women (UMW) collects books for their annual Summer Book Sale. Again, they will announce when they are beginning the collection and where to leave the books. This is used to fund charities (e.g., The Neighborhood Center in Camden, The Center in Asbury Park, etc).

Our Family Kitchen

“Friends and Family come ‘round the back”

Did you grow up in a house where your friends and family all used the side door or the back door? I think of our back door – the door off our Hudson Street parking lot – as the door that friends and family use when they come home to Church. It’s the same door that our friends who depend on the many recovery groups that meet in our building use, and the door that’s kept busy on Wednesday nights as our youth groups and Adult Ed group meet. Some days the ramp to the back is busy with food being dropped off to The Back Pack Crew and at the end of the week the back doors are bursting forth with the 98 backpacks going to needy children each week. As you enter from the back door you find the information you need to guide you to your meeting or encounter our greeters on a Sunday. Years ago, when we remodeled the back entrance we put in that great porch and added the double doors with the crosses and made our back door even more inviting. Yes, we have a grand front entrance facing Broad Street, and many folks use it and we greet you there on a Sunday. Yet, when I think of our Church as a welcoming home, I picture the back door. Being strong financially will help us keep the back door open for those who have used it for years and for those who might be crossing its threshold for the first time. Help us close the \$36,000 deficit we projected for this year. Be in prayer for those who do visit with us and for those who can’t. Catch up on your giving if you are able, and whenever you can, be generous in your giving to our Church.

Our Missionaries

GOOD NEWS from Tanzania where our missionaries are hard at work on the new Church Center in Dar es Salaam. Mutwale writes the following letter to all of us who support the work of the United Methodist Church around the world!

“November 13th

Dear brothers and Sisters in Christ,

Praise the Lord! Kabaka and I, plus the Tanzania UMC, continue to thank you for your continual support of the church here. We would like to let you know that Bishop Mande from North Katanga met recently with Bishop Schol of Greater New Jersey at the Bishop's Council, and Bishop Schol accepted to come to Dar es Salaam, Tanzania with a team to teach at the pastor's school and then assist at the session of the annual conference in Dar es Salaam. The pastor's school starts June 3-5, 2018 and the annual conference is June 7-10, 2018.

So, we thank you so much for the work you did for longtime to persuade Bishop Schol to come and visit Tanzania UMC. It was a dream but now it is the reality. We are so glad for that. About the Guest house work, we are now working for ceilings and plumbing, after that will follow tiles.

I am writing you now from Mwanza, Victoria Zone where we came last week to visit churches with Kabaka. Tomorrow we go back to Dar es Salaam, more than 1000 km. Thank you very much for your prayers and support. May God bless you.

Reverend Mutwale and Kabaka”

This is very exciting news for the Church Center, and we hope to keep supporting the building so that guests may stay there, and later volunteers doing work projects. During Advent Options Outreach will have a display of the Tanzania project, and we will have small wrist purses made by Kabaka's Women's Project, along with some colorful long dresses, also designed and dyed by the women. Please come have a look and hopefully purchase something to help with the Church Center and Women's Projects. Donations can be made anytime online, or on Giving Tuesday, this year's date is Tuesday, November 28th.

Green Faith

...Janiz Schildge

732-741-0528 jschildge@optonline.net

Do you know where most of the plastic in our daily lives goes? About 70% ends up in the ocean, and then it is swallowed by marine life, and guess what – the cycle comes right back to us and soon we eat our delicious fish dinner or scallops or shrimp cocktail, and now we are digesting this plastic back. The WORST is Styrofoam, and it is not ever biodegradable. It stays forever, in tiny beads that are everywhere.

So please try to purchase items that are not wrapped in plastic, or packaged in Styrofoam. YOU can make a difference, by not purchasing things in Styrofoam (not easy but can be done). Also, try not to

use throwaway plates, dishes, glasses and flatware. This is pretty easy, as most of us have dishwashers and supplies of dishes and flatware that is not plastic!

And when we certified our church with Green Faith, we promised to not bring plastic into the church to be role models for others. But this year we have found many packages of left over plastic flatware, and also plastic cups, and even plates. PLEASE do not leave plastic behind after a group function at the church. Thank you for being considerate of all life on the planet, and take steps to help save a sustainable world for our children, grandchildren and for seven generations.

One more thing – you may have seen the "no idling" signs out back in the parking lot. You are educated to know why, but you can help others who don't know that there is a state law that you break if you idle more than 3 minutes, as you are constantly releasing carbon into the atmosphere, and helping the sharp upturn in temperature of our planet, which is also not good for our children and grandchildren, and also our pet kitties and dogs. So please think on these things, save your bottle caps for Terracycle, and the new year will see a new plan for recycling that we will share with you.

Peace and Joy in this holiday season!

Crop Walk

CROP WALK Appreciation!

October 15th a lot of us participated in the 37th Red Bank Crop WALK. Do you wonder how we did this year? Do you know how much food was collected and given to how many pantries? Take a guess, and here's the update (but your donations keep coming in until the end of December for this year's walk)

It was an unusual year, but the Red Bank Methodists are steadfast in their Water Stop #3, headed by Barbara Gunther and Peg Rizzo. It is the halfway point and a great photo op place. This year it was so colorful with the sunset heather orange shirts. We will post some photos soon of members of God Squad, Club77 and Mustard Seeds, and also of Sam Judkis, who was in the top 5 runners to come in, along with Jim Mellon and Greg Jansky in the top 10! We could maybe have a half marathon team one day???? And Club 77's 1st place middle school banner will be on display from November 27th until Christmas in Red Bank, at the JPMorgan Chase bank branch, 32 Broad Street, so just walk in from Broad Street, or in from the parking lot in back, and see all the winning banners on display. Chase is one of our corporate sponsors, so they are happy to provide a gallery space. Invite your friends to come too, along with Mom, Dad, and grama and grampa! Congratulations!

Food finally totaled out at 14,000 pounds, but the last half had to be counted at Rumson Country Day School, champions of food for Crop, who could not transport their nearly 7000 pounds due to street closings in Rumson that morning of the walk. We were over at the school with 8 students and some staff and about 10 members of our Crop coordinating committee, and deliveries went out all over to a number of church pantries in Asbury Park area, and all the way up to Matawan, Keyport and Keansburg and beyond. It was a big job, but with lots of workers it was not too tough. Thanks to all of you who brought in food, and who sponsored others, and who walked or ran, and made posters, and cheered on the crowd.

Red Bank UMC leads the faith community in its monetary donations, volunteers, and walkers, but this year the top walking group was from Freehold Township High School of Global Issues, with 67 walkers! That is a number to beat in 2018!

Donations are not yet final, as funds come in till the end of December, but for the 17th year, since 2000, our Crop Walk has raised over \$100,000, so Congratulations to all, and thanks for your support of our Crop Walk efforts! As you know, we not only support 15 local hunger fighting program partners, but also partners all over the world, through Church World Service.

All those affected by natural and human-made disasters, economic conditions, famine, civil war and genocide, those serving our country, shut-ins, all who are ill in body and spirit, those struggling with illness and substance abuse. For strength and healing for all in the world who need it and for compassion and understanding in our relationships.

Communication is crucial in letting us know when members of this congregation are hospitalized or ill. We would rather be told multiple times than to not know at all. So, let Pastor Naulty and Pastor Zito know, leave messages at church, or email us at sleavitt@umcredbank.org. Remember that hospitals no longer contact clergy when members are hospitalized.
