Centering Prayer

God of amazing grace, you have called us to give of ourselves and our resources for your work. We have heard your call and often respond with joy. Yet there are times when we fall short, when we focus inwardly instead of on your kingdom building. Give us hearts of compassion and service to be generous with the blessings we're given, and as our gifts are multiplied within this community of faith, we will do together far more than we could accomplish on our own. Amen.
